HFP, 1211 Chestnut St., 8th Floor

11/12/14 8:30-3PM
HFP, 1211 Chestnut St., 8th Floor

11/24/14 8:30-3PM
HFP, 1211 Chestnut St., 8th Floor

12/12/14 8:30-3PM
HFP, 1211 Chestnut St., 8th Floor

Funded by the Southeast Regional Key (SERK) at Public Health Management Corporation (PHMC).

Do you want to...

- Learn about how trauma can impact the brain and behavioral development of young children.
- Understand how important early experiences are for lifelong health, development, and wellness.
- Explore how implementing the CAPPD (Calm, Attuned, Present, Predictable, Do Not Escalate) trauma-informed framework into classroom practice can create a more compassionate classroom culture.
- Change your classroom space, activities, and practices to be more trauma-sensitive.
- Build relationships with other early childhood professionals to support your growing trauma awareness.

Come to this exciting workshop to learn more and to earn **6 PQAS** credits. **Cost: \$21.00**
