"Healing Our Future"

SPONSORSHIP OPPORTUNITIES

October 11 & 12, 2022

REIMAGINE WITH US

The Reimagine Conference is for people who care about our communities.

We reimagine communities that offer:

- Safe and affordable housing,
- A range of sustaining wage jobs, and
- Access to opportunities for overall health and wellbeing.

In order to create change, we need to understand the root causes of current circumstances.

Toxic stress, trauma, and adverse childhood experiences (ACEs) are a root cause of generational poverty, mental health challenges, antisocial behavior, low academic achievement, and employment struggles.

Reimagine with us by becoming a sponsor for this impactful event. Promote your organization to other community-minded participants and enhance your reputation as a company that cares.
