California Campaign to
Counter Childhood Adversity

Tuesday, March 30
1 p.m. - 2:30 p.m. PDT

<http://bit.ly/4CAWebinar>

The California Campaign to Counter Childhood Adversity (4CA) is a network of organizations committed to educating policymakers and advocating for policies that address childhood adversity. Join us for the second of two webinars to look at policy opportunities, and challenges, in the area of childhood adversity in the unique context of 2021 and beyond.

Register now for this webinar with policymakers & providers

During this unprecedented time of COVID and social unrest, and the increased trauma they are causing children—particularly Black, Indigenous and children of color—we need to act now.
