## Alliance for BMoC Goals

Ensuring California's boys and young men of color...

- are physically and mentally healthy;
- succeed in school and work; and
- possess the knowledge, skills, and leadership capacity to contribute to their families, communities and the state's social and economic well-being

## Alliance for BMoC Areas of Focus

- Education
- Jobs & Workforce
- Safety & Justice
- Health

## Alliance for BMoC

### Health & Healing

- Local initiatives focused on healing through multigenerational, multiracial approaches
- Adverse Childhood Experiences and Childhood Trauma Policy Workgroup
- Statewide plan to prevent violence (in development)
- California Reducing Disparities Project (mental health)
- Health workforce pipeline
- Policy Advocacy
  - Adverse Experiences, Toxic Stress Resolution
  - Health for All
  - School Based Health Centers funding
  - Disaggregated Data Collection

## Alliance for BMoC

Health & Healing

- Local initiatives focused on healing through multigenerational, multiracial approaches
