Save the Date: June 12, 2017 Trauma Sensitive Schools

A Tiered Approach to Improving Student Behavior & Learning

Teams will have planning time to review 2016-2017 data and refine their plan for starting off the 2017-2018 school year with a trauma sensitive approach. Workshops will be elementary or secondary specific. Teams should include teacher leaders, support staff, students, and/or parent leaders and administrators.

This training is for elementary and secondary school teams to:

- learn why trauma-exposed students often struggle in school
- how to effectively intervene with students
- develop school-wide intervention strategies
