

PRESENTS:

TRAUMA HEALING & LEARNING SERIES

Panel discussion with youth professionals

April 8th from 10AM - 12 PM

Register at: <http://bit.ly/mbksac21>

Join My Brother's Keeper (MBK Sacramento) Collaborative for its Trauma Healing & learning Series, centered around increasing the understanding of the impacts of racism on overall well-being, and promoting healing-centered approaches to healthcare.

The MBK Collaborative is administered by the Center at Sierra Health Foundation and was formed out of the Obama Foundation. MBK focuses on addressing disparities for young men of color through policy advocacy, systems change and support for effective programs.
