

# Strategies 2.0

*Strategies 2.0 is a catalyst for the professional skills, organizational structure, and community relationships necessary to mitigate the risk factors for child abuse and neglect, and to promote child, family, and community well-being.*

We provide an integrated learning system that includes **TRAINING, CONSULTATION, and NETWORKING** for the family strengthening field.

## Home Visiting Essentials

Are you a new home visitor or do you supervise staff who are new to home visiting? If so, this one-day training is designed for you. Explore the daily activities of a home visitor and learn strengths-based skills and strategies for engaging families and communicating effectively. Learn about documentation, mandated reporting, professional boundaries, time management, and the three stages of home visiting. Home Visitors, register today!
