

**Have lunch with some of the leading experts on trauma-informed practice, early childhood adversity and resilience.**

MARC is pleased to announce a series of webinars featuring our 11 national advisors. In each of these short 45 minute sessions, one of our advisors will share some of their expertise and engage in dialogue with you on key strategies for creating just, healthy and resilient communities. Register on the MARC website. Seats are limited, but recordings will be available after each session.
