Community Forum

The work groups are an opportunity for organizations, policy makers, and residents to work together to improve our community's health.

- Review the health status and contributing factors within Yolo County.
- Share your views about health issues and health needs in your community.
- Help identify goals that must be addressed in order for your community to improve the health and well-being of its residents.
- Must be able to commit to 1 hr meeting/month for approximately 6 months

Your input will be used to identify public health issues and to take action.
